Case Management Discussion

6. The Tribunal held a Case Management Discussion ("CMD") on 28th August 2018. The Applicant was present. The Applicant attended without his legal representation. The Respondents were not present. The Tribunal proceeded in terms of Rule 29 of the Rules. The Tribunal considered the Application. The Applicant stated that there has been the Respondent had been persistently in arrears of £270 from 3rd December 2016 to 3rd November 2017 thereafter the arrears increased to the amount of £2850 by the point of application. To the Applicant's knowledge there are no outstanding Housing Benefit issues. Housing Benefit had been paid for July and August 2018. The Applicant has received £512.76 per month for July and August 2018 from Housing Benefit. The Applicant had been told by the Respondent that she was to ask for direct payments of Housing Benefit to be made to him but this had not been forthcoming until July 2018. A lump sum payment was made on 23rd March 2018 for £1540. The Applicant was unclear why the Respondent had paid this amount and from what source she had paid it. The Respondent has a shortfall in her Housing Benefit amounting to £257.24 per month. The Applicant had last had correspondence from the Respondent by text message 6 weeks to 2 months ago. The Respondent has not indicated that she would pay the shortfall and make payment to the arrears. The Applicant stated that the Respondent told him that she would pay £2000 in January 2019 if he moved her to a smaller house that she could afford. The Applicant made a motion to increase the amount sought to 3877.24. This was refused. The Applicant's solicitor had sent an up to date rent statement to the Housing and Property Chamber on 3rd August. This was sent on to the Respondent on 23rd August. The Tribunal was not satisfied that this amounted to increasing the sum sought as the email attaching the rent statement indicated that it was to be merely lodged in process. It was not indicated that an increase in the sum was sought. The Respondent did not have fair notice of the increase and was not

present to respond to the motion. As at the date of the CMD the outstanding arrears amount to £4134.48.

Findings in Fact

7. The parties entered into a Short Assured Tenancy on 3rd October 2016 for a 12 month period until 2nd October 2017 and on a month to month basis thereafter. The lease was signed on 14th September 2016. An AT5 was signed by both parties on the same date as the lease. The rent payments of £770 are due by the 3rd day of each month.
8. The Housing and Property Chamber received an Application on 15th June 2018.
9. The Respondents have persistently not made rent payments. There have been more than 3 missed payments. The amount outstanding has risen to £4134.48, beyond that which was sought in the application.
10. There has been payment of Housing Benefit to the Applicant for the months of July 2018 and August 2018.
11. The arrears due to the Applicant amounts to £4134.48.

Reasons for Decision

12. The Respondent has failed to make payment of the rent lawfully due in terms of the lease between the parties. The Applicant has lodged a rent statement for the period 3rd October 2016 to 3rd September 2018 in which payments have been missed to amount to £4134.48 in rent arrears. The Applicant lodged an updated statement to the Tribunal. The Tribunal could not increase the amount sought, as this had not been notified upon the Respondents. The Tribunal was satisfied that there were no other issues of reasonableness before them. The Tribunal decided that the Respondent had persistently not paid the rent and were in arrears. As a consequence the Applicant was entitled to be granted the Order for payment of £2850 plus interest of 8% per annum against the Respondent.

Decision

13. The Applicant is entitled to for an order of payment of £2850 plus interest of 8% per annum by the Respondent. The Order was granted against the Respondent.
